

Michigan Aquaculture Association 2015

28th Annual Meeting and Michigan Seafood Summit

Kellogg Center
MSU
March 12, 2015

You are cordially invited to attend the Michigan Aquaculture Association's 2015 Annual Meeting. We are pleased to announce that this year's meeting will be in conjunction with the First Annual Michigan Seafood Summit to be held at the Kellogg Center at Michigan State University. Because the Summit has a full and informative agenda, the MAA meeting will be a **box lunch** event from 12:20-1:45. Prior registration is thus very important if you wish to have a lunch prepared for you.

The Michigan Aquaculture Association has been pushing ahead with exciting initiatives to encourage aquaculture development in Michigan, and engaging state agencies and legislators to establish a climate in which aquaculture can advance and thrive in Michigan.

Please join us at the Kellogg Center for our Annual Meeting and the First Annual Michigan Seafood Summit. Summit registration will begin at 8:00 am with the agenda running from 9:00 am to 4:30 pm, followed by a social and plated dinner event featuring MI produced seafood and beverages prepared by prominent Michigan chefs.

For more information on the Summit including Agenda, Registration, Partners and Support go to: <http://www.miseagrant.umich.edu/seafoodsummit/>

Pre-registration for both events is important to ensure we have accommodations for everyone.
